COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop Issue Fee
Commissioner for Patents
Washington, D.C. 20231

Applicant has reviewed the Examiner's statement of Reasons for Allowance accompanying the Notice of Allowance dated February 8, 2007, and submits the following comments. In the Reasons for Allowance, the Examiner stated that the prior art of record does not teach, disclose or suggest the limitations expressed in claim 1. The Examiner also stated that features similar to claim 1 are claimed in claims 7 and 16, and indicated that such claims are also allowable for the same reasons. Applicant agrees with the Examiner's position that the claims are allowable over the cited references. Applicant points out, however, that the other independent claims do not require many of the limitations set forth in claim 1 and are allowable for at least the reasons set forth in Applicant's responses.
